Greasing the Ways.

NOW IS THE TIME FOR A "HANDS OFF" POLICY Revolutions Must Run Their Course And We Should Not Play Carpet

> Bag Game BY AMOS PINCHOT

We began the war with the comparatively modest aims of pretecting our commerce and preventing Germany from conquering the Allies. Under Mr. Wilson's guidance, our aims have steadily grown into a vast network of territorial, ethnological and power readjustments. Never in the world's history has there been a war with such comprehen. sive objects. Never have nations fought to free peoples whose names they hardly knew and whose history was an unopened book, . But now has come the moment when we must resolutely refuse to enlarge our aims any further. Having ousted Russian, Bulgarian, Turkish Home Demonstration Work Raleigh. It wasn't intended that the Austrian and German autocracy the A .lies and the United States should not CALLED NEW RECTOR allow themselves to imagine that it is their business to police the world, or to work out the salvation of the people Rev George F.
